### **Title: Help Web-farers find their way.**

Author information: Matt Micklewicz offers advice and useful links for Webmasters at his Webmaster Resources site ([www.webmaster-resources.com](http://www.webmaster-resources.com)). Source: Windows Magazine, E-Business section First paragraph: Your website may be chock full of information about your company and its products, but if visitors to the site can't easily find their way around its pages they may never return. Besides content, the most important aspect of a website is its navigation scheme. Unfortunately, that may also be the most commonly neglected design consideration. These nine site-design pointers will help you build an effective navigation system.
